Mr. James S. Stier
Councilman 6th District
City County Building
One Main Street
Fort Wayne, IN 46802

Dear Mr. Stier:

Several members of our unit attended the Council meeting of February 7, 1984 to oppose the present rodeo ordinance. We were the sponsors of an approved sanctioned rodeo last year held at our club grounds in Columbia City, Indiana.

The claims of cruelty presented by the opposition were not evident at last years' rodeo. They were so particular with the care of their stock that the 100 bales of hay that was called for in their contract was refused because of poor quality.

The bucking strap does not cause any injury. It is made of a fleece type material and is not uncomfortably tight as the opposition described. If it was tight, the animal would be unable to move.

There was no injury to the animals used in the calf roping or in the bulldogging events. The excruciating pain that the opposition described was not evident in our rodeo. The animals responded almost as trained to the buzzers that were used for timed events. When the buzzer went off, they stopped and returned to their holding pens.

That was the second year of a Shrine sponsored rodeo and we intend to sponsor it again. It is too bad that rodeos of this type and of this high caliber cannot be performed in the city of Fort Wayne. Rodeos will continue regardless of the rodeo ordinance. We feel that if that is the case, we should be allowed to entertain the people of Fort Wayne.

Sincerely,

Ray Giant, Lieutenant
Mizpah Shrine Horse Patrol

Common Council of the City of Fort Wayne
City-Council Chambers
Room 128 - One Main Street
Fort Wayne, IN 46802

Gentlemen and Mrs. Bradbury:

I am requesting you at this time, as Chairman of the **Coalition of Labor Leaders**, for the employees of the City of Fort Wayne, to be aware that the City's reorganization ordinance, Bill #G-84-1-20 as presented, contains a serious flaw.

First of all, the position of **Labor Relations Director** is being relegated a much lower status than in its present form, in both pay and labor grade. This person, in our estimation, should be able to deal with labor, work with labor and speak for labor in an experienced unbiased manner. Our greatest fear is that in lowering the status of the position, it will become difficult, if not impossible, to lure a candidate possessing the necessary qualifications into taking the position. Filling the position with someone less than qualified could do no less than cause undue turmoil for management and labor; lower overall Espirit-DeCorps within the City ranks; and, log jam any and all negotiations.

We do not oppose efficiency in City government nor do we find economic development a distasteful movement on the part of our City leaders. On the contrary, we support and encourage movement on these items. We only ask that they are done in a concise, deliberate manner pointed toward the benefit of the citizenry of the City of Fort Wayne. While acting upon this ordinance, please keep in mind whether or not it addresses specifics or generalities in assigning the broad ranging powers addressed in the Home Rul as per I.C. 36-1-3-8 and I.C. 36-4-9-4.

Sincerely,
